My Choice Family Care may provide an alternate support or service that is not specified in the list of services. Alternate support or services must meet certain conditions. The Interdisciplinary Team will decide with Members when an alternate support or service is required. All network providers have been verified to meet standards established by the MCO.

# SERVICES THAT ARE NOT PROVIDED BY THE MANAGED CARE ORGANIZATION

The Managed Care Organization does not pay for some services. If you have Medicaid (T-19), Medicare or private health insurance, they may cover the following services:

- ✗ Any service from a medical doctor
- ✗ Alcohol and other drug abuse services provided by a physician or in an inpatient setting
- ✗ Audiology
- ✗ Chiropractic
- ✗ Crisis intervention
- ✗ Dentistry
- ✗ Eyeglasses / Optometry
- ✗ Family planning services
- ✗ Hearing aids
- ✗ Hospice
- ✗ Hospital: inpatient and outpatient, including emergency room care are NOT covered (outpatient physical therapy, occupational therapy, speech therapy and mental health services or alcohol and other drug abuse services from a non-physician ARE covered)
- ✗ Podiatry
- ✗ Prosthetics
- ✗ Prescription drugs
- ✗ Transportation by ambulance

The above services are subject to rules and regulations that govern Medicaid, (T-19) Medicare and private insurance. There may be co-payments involved which Family Care does NOT cover.

Family Care will assist you in coordinating and obtaining these services and, if necessary, pay for your transportation costs to access them.

Your Team may consider paying for the services listed above even though they are not covered. Each case is reviewed individually.

It is important to remember that the Team must authorize these services first.

If you do not get prior authorization, you will be responsible for the cost of the service.
